

Strategic Plan 2018-2020

About Central Hume Primary Care Partnership (PCP)

The Central Hume PCP is a partnership of health and human service organisations across the Alpine, Benalla, Mansfield and Wangaratta local government areas in North East Victoria. The core business of our partners ranges from primary prevention to acute health, encompassing community wellbeing. Our partners represent the local government, health, aged care, education and social services sectors.

The Central Hume catchment comprises approximately 61,000 people who live, work and play here.

The original inhabitants of the Central Hume catchment are the Bpangerang, Yorta Yorta and Taungurung people.

Our vision

A community where all people enjoy quality of life and are healthy, well, and active.

Our mission

Working together, we will drive real improvements in health and wellbeing outcomes that are meaningful for our community, by strengthening collaboration and partnerships.

Our role

- Continue to build a robust and current evidence base.
- Act independently to broker opportunities and build active relationships that advance our priorities.
- Support our partners and active relationships to build their capacity to act to achieve our priorities.
- Measure and celebrate our success, and continuously improve our practice to achieve our priorities.

Principles

The Central Hume PCP will:

- Respect and value the views of all partners.
- Focus on social justice and equity, creating a strong voice for advocacy.
- Listen to the views and experiences of consumers.
- Apply catchment wide and place-based approaches.
- Work collaboratively and collectively, and pool our resources for greatest impact.

Our priority population groups

Our priority population groups include older people, families with young children, Aboriginal and Torres Strait Islanders, people living with chronic disease, and women and children facing violence.

Our strategic priorities

PRIORITY 1: PREVENTION OF CHRONIC DISEASE - HEALTHY EATING AND ACTIVE LIVING

Strategies

- 1.1. Support the implementation of annual action plans to achieve the Central Hume Prevention Strategic Plan 2017-2021.
- 1.2. Share promising practice and wisdom.

PRIORITY 2: PREVENTION OF FAMILY VIOLENCE - HEALTHY RELATIONSHIPS

Strategies

- 2.1. Support the alignment of the family violence prevention effort within the catchment.
- 2.2. Share an evidence base of data, research, and promising practice to inform our approaches.

PRIORITY 3: SYSTEMS INTEGRATION – ADDRESSING SOCIAL DETERMINANTS OF HEALTH FOR WELLBEING OUTCOMES

Strategies

- 3.1. Seek, maintain and share understanding of the consumer experience.
- 3.2. Seek, facilitate, and evaluate opportunities to collaborate with multiple sectors on areas of common interest.
- 3.3. Support the self-determination of Aboriginal communities.

PRIORITY 4: EFFECTIVE AND SUSTAINABLE PARTNERSHIP

Strategies

- 4.1. Recognise, promote and celebrate the achievements of the partnership and its members.
- 4.2. Support Local Partnerships to respond to local health and wellbeing needs.
- 4.3. Support collaborative funding applications.
- 4.4. Measure our success and performance to understand our impact, and improve systems, processes and approaches.

IMPLEMENTATION

Create annual action plans

We will develop annual action plans to address the priorities outlined in this Strategic Plan.

Use best practice approaches to guide our work

We will use systems thinking and collective impact approaches, where appropriate, to maximise real improvements to health and wellbeing.

Use good governance

The Central Hume PCP Executive Committee oversees implementation.

Local Partnerships support Municipal Public Health and Wellbeing planning and local delivery.

Foster active relationships

We will form and strengthen active relationships which assist us to achieve our priorities.
